Who would have believed that a tiny hole in the wall could provide such a thrill?

The Night Peeper

I sat spellbound, peeping through the tiny hole in the wall. My hand was in my underwear and stroking my excited organ. My best friend's wife, Sally, sat on the end of her bed and sensually removed her socks. I admired her long, shapely legs as she slowly raised first one and then the other. Her hands ran from the tops of her thighs to her slender ankles.

Sally's panty-covered pussy flashed at me with each movement of her beautiful legs. Next, she slid out of her skirt and blouse. Dressed in only her light blue bra and panty, she tiptoed and stretched as the flimsy material clung to every crack and crevice.

I felt like a jerk, peeping at my hostess in her own home. But I couldn't help it. After all, it was her fault. She had warned me to keep my closet door closed and had even pointed out the small hole, about waist high, between our adjoining rooms. She laughed about the pervert who had owned the house before. Sally said she had been meaning to tell Jeff about the hole so he could fix it but she had forgotten to. I was the first guest to occupy the spare room since they had moved into the house.

I thought about the hole all through dinner. I was a bit uncomfortable about eating with only Sally and

her daughter Tammy, an 19-yearold beauty. But Jeff had insisted that I stay with them while I was in town on business instead of at some lonely hotel. Now he was away on a business trip himself, and I was alone with his family.

I retired early to get ready for a busy day, but I couldn't get the peephole off of my mind. As I tossed and turned in bed, I heard footsteps in the room next to mine. I couldn't help myself. I had to look!

Sally's blouse was over her head and I gasped at the sight of her transparent bra and cleft-hugging panties. She is 37 but she could easily compete with girls half

her age in the beauty department. Her arms moved behind her back and the bra fell to the floor. Her breasts stood firm and proud, topped with large strawberry nipples. My tongue flicked over my lips at the thought of tasting them as they stiffened. I knew I should stop looking, but I couldn't. I was transfixed.

My heart skipped a beat as she walked directly toward my peephole in the closet. She knelt only inches from my eye and placed her shoes on a shelf. As she squatted there, her hands cupped her mouth-watering breasts. She pushed, pressed, and mashed them until the nipples stood out like erasers.

I held my breath and didn't move a muscle, for fear that she would hear me. How I wished that I had never started this. But I couldn't quit now. I had a throbbing hard-on. It needed relief. Finally, Sally stood up and moved back to the bed. Her thumbs gripped the waistband of her thin blue panties and she slowly pulled them down over her hips and legs. I did a double take as her pussy appeared. It was tightly shorn, her labia visible. I couldn't believe my eyes.

For her nightly exercise she lay flat on the floor, her legs facing the peephole. As she pulled her legs apart, I thrilled at her open slit. Her clit was visible, although it was still hooded by the moist lips of her allmost hairless womanhood. Her shaved pussy lips, less than three feet from me, was a mind blower. So close yet so far away. The first exercise involved spreading her legs as far apart as possible and then bringing them back together again.

She ran a finger on each side of her pussy and pulled the lips apart. As they parted, the crimson inside opened to my gaze.

The head of my swollen rod became slippery as the clear liquid seeped from the tip. I stroked it faster and faster. Her exercise became even more maddening as she pulled her leg back to her ass and began raising her body from the floor. When I was up, only her back and the balls of her feet touched the floor. Her ever-dampening pussy seemed to be calling my name. I yearned to bury my tongue in her tender hole.

When she had finished the exercise, she collapsed. She lay like a rag doll as her chest rose and fell. As she lay there spread wide open and panting, I wished she would turn out the light and go to sleep, but that was not to be. Her hands crept down her body and over her flat, smooth stomach until they reached her cunt. She ran a finger on each side of her pussy and pulled the lips apart. As they parted, the crimson inside opened to my gaze.

I wanted to lick the small droplets of juice that clung to the tender-looking lips. Her eyes were closed as her fingers moved up and down, in and out, and all over her excited cunt. The cum boiled in my balls, aching for release.

Spasms shook her body as she stifled a scream and clamped her hand over her twitching pussy. Her orgasm

lasted five minutes as she rolled, squirmed and pumped her finger into her quaking love nest. I didn't come. I was too busy watching the show. Moments later she stood up and slipped into a golden velvet robe. She walked from the room and before I could recover from my position, I then heard a sound.

In the closet there was a gentle tapping at my bedroom door. "Bob," Sally whispered, "are you awake?"

"Yeah," I stammered as I stepped into my jeans. "Just a minute."

"Just wondered if you wanted a snack. I'm going to have one," she said.

"I'd love one," I replied, trying to stuff my stiff pecker into the tight jeans.

"Meet me in the kitchen," she said. By the time I reached the kitchen I was much calmer. My swollen penis was back to a resting state inside my pants. Only the dampness against my leg, as it continued to leak, gave evidence of my time spent peeking.

Sally and Tammy were seated at the kitchen table and eating chocolate-covered, cream-filled doughnuts. I marveled at the way two women with such great figures could eat such rich sweets.

“Want one?” Sally asked. Her mouth was filled with dough and chocolate. I wondered if she would be shocked to know that I wanted to give her some of my own cream.

“No, thanks,” I said. “Sweets keep me awake. How about some tea?” I sat beside Tammy as Sally got up to heat the water. Her breasts were displayed beautifully as she leaned over the stove. My prick jumped at the sight.

“Did Mom tell you about the pervert who owned the house before?” Tammy asked with a giggle. “Yeah. A hole in the closet. There’s one between your room. It’s okay, though. We covered it with a picture. And there’s one in the bathroom too.”

“Let’s don’t bore our guest with the carpentry problems around this house, dear,” Sally said. “We’ll tell Dad about them someday and he’ll fix them.”

I will not look again. I will not look, I told myself.

Tammy stood up, kissed her mother, and almost made it to the door before she turned and leaned over to give me a kiss too. Her crotch pressed against my hand, but she seemed not to notice. As her sexy green eyes met mine she said, “I think I will take a bath and go to bed.”

My voice was caught in my throat. I couldn’t believe these women wanted me to look. No, they were just making conversation.

After I had my tea we were all back in our separate

Her tender young skin seemed to glow as she patted her body dry with a huge towel. My eye was locked in place.

rooms. A quick check through the closet peephole revealed that Sally was sitting in bed, still in her robe, reading. When I heard the sound of running water, I took down the only picture in my room. Sure enough, one little peek and I had a bird’s-eye view of the bathroom. The shower curtain was closed as water ran in the shower, and I was glad. I had had enough temptation for one night.

But before I could move away, the water stopped and Tammy stepped out from behind the curtains. There she stood, sparkling clean—and naked. Unlike her mother’s pussy, Sally’s pubic mound was covered with brown fuzz. The lips peeked out ever so slightly, like a timid animal peering from his favorite hiding place. Her tender young skin seemed to glow as she patted her body dry with a huge beige towel. My eye was locked in place. Peeping was becoming habit forming. I guess I’m more of a pervert than I thought.

After all this excitement I needed a cold shower. I grabbed my robe and headed for the bathroom. I noticed another hole behind the towel shelf. It blended in nicely with the wallpaper.

I was naked and my pole was standing straight out as I stepped into the shower. The bathroom door opened and in came Tammy. She froze in her tracks, her eyes fixed on my monstrous hard-on.

“Excuse me.” She blushed as she spoke. “I forgot my brush.” She pointed to a blue-handled hairbrush on the toilet tank. Because I was out of my head with lust, I guess I simply picked up the brush and walked over to her. Those sexy green eyes were locked on my bouncing prick. Her nostrils flared, and then she finally took the brush and turned to leave.

The cold shower helped. As I turned the water off my cock was back to half-mast. Then I spotted a pair of yellow panties lying on the floor between the sink and the hopper. They were Tammy’s. I picked them up. The crotch was still damp from her dripping cunt. I put them to my face and savored the dampness and intoxicating smell of her ripe young pussy.

Half-mast suddenly became a full-blown erection again. I sat on the toilet and pumped my stiff rod as I breathed in the aroma of Tammy’s sweet box. There was some movement at the peephole. Was it Sally or Tammy? I didn’t care. If either of them wanted a show, I would give it.

I wrapped my dick in the soft yellow panties and pumped like a madman. In moments I felt my cum boiling in my aching balls. I shook as the sticky cum spurted out all over the sink. After the last spurt I wiped the tip of my dick with the panties. Then I returned to my room.

I raced to my peephole to see who would take the bait. Sally was standing at the sink and brushing her teeth. The water was running, but my jism still lay on the side of the sink. She seemed not to notice.

After she had left the bathroom, Tammy went in. She grabbed a toothbrush but stopped suddenly as she saw my deposit. When all traces of my cum were gone, Sally retrieved her yellow panties, turned out the light and left. Now I wasn’t sure who was peeping on whom. All I knew was that I was dying to poke the both of them, but I was afraid to make a move. After all, they were my buddy’s wife and

daughter.

I stumbled to bed and fell asleep. When I opened my door to go down to breakfast the next morning, a surprise greeted me. Hanging from the doorknob was that pair of yellow panties. A note was pinned to the crotch: To my favorite Peeping Tom. It was signed “Tammy.”

The rest of the week was unbelievable. It began that night as Tammy and Sally told me about other peeping spots. I never had sex with them. Tammy wanted to be a virgin when she got married and Sally didn’t want to cheat on Jeff.

Next time you are a guest at someone’s house, I hope you’ll have as much fun as I did. Maybe you’ll even have more!

A woman with dark, curly hair and blue eyes is lying on her back on a dark green massage table. She is looking directly at the camera with a slight smile. Her left hand is resting on her right breast. She is wearing a large, ornate gold ring on her left ring finger. The background is a brick wall. In the top right corner, there is a text overlay with a phone number and a statement about a photo shoot.

EXPERIENCE — AND I LOVED IT**

PUSSIES AND MOUTHS AND COCKS, OH MY!

EAGER BEAVER

Tricked by his girlfriend
and her roommate, he
found himself in the middle
of a hot threesome

Julie was extra horny that night. She unzipped my fly on the ride up the elevator to her apartment. The apartment door closed behind us, and immediately she had my dick sticking straight out of my pants. Her hand was stroking it, and her big blue eyes had that “fuck-me” look. My fingers were opening her blouse while she stroked my hard dick.

That’s when her roommate, Sandy, cleared her throat. We froze in place and swung our eyes to the sofa where she was stretched out naked with a big vibrator between her parted legs.

I was turned on beyond belief. Both Julie and Sandy are just 18, with firm young flesh that would make any healthy guy’s dick instantly hard. And here I was, getting an eyeful of tight, fresh pussy with my sex-starved girl-

friend right beside me.

Sandy looked at me and winked as she pulled the vibrator out of her pussy and licked it like a big lollipop. Julie gave my meat a squeeze and pulled me toward the sofa, using my dick like a handle. We stopped when we were standing over Sandy, who sat up and gave the head of my dick a lovely “hello” lick. Julie giggled and pumped my dick.

“Make up your mind, lover,” she said with a naughty smile. “Do you want a handjob or a blowjob?”

“Both,” I answered as I watched the bulging head of my dick slide into Sandy’s mouth. Her tongue swirled over the head and sent shivers up and down my back. Julie let Sandy suck my dick while she quickly undressed. Then she pressed her hot mouth against me and let her magic tongue slip between my lips. As my excitement mounted, Sandy must have sensed that I was getting close to blasting off in her mouth. She pulled back and licked her lips.

“Suck her nipples,” Julie commanded, her voice soft and husky and dripping with excitement. “She has very sensitive nipples. If you do it right she’ll come for you.”

I didn’t ask how Julie knew so much

about her roommate’s hot buttons. Instead, I sat on the sofa beside Sandy and covered her right nipple with my open mouth. Julie stood in front of us and spread the lips of her pussy with two fingers. Sandy turned on her vibrator and applied it to the slippery lips of Julie’s pussy.

Watching Sandy use the vibrator on Julie’s wet pussy blew my mind. I made both nipples really hard, then gave Sandy a long, deep tongue-kiss while my fingers teased and stroked her slippery pussy. When her orgasm hit, she clamped her legs tightly around my hand. I shoved two fingers deep into her pulsating pussy.

As soon as Sandy started coming, Julie made a squeaking sound and arched her back while spasms rocked her beautiful naked body. Watching two women come at the same time was hotter than the hottest fantasy I had ever had.

My dick was like a telephone pole, a steady stream of pre-cum leaking from the head. My hand was sliding up and down the well-lubricated shaft, and my entire body shook with lust.

Julie did most of the undressing while Sandy kissed and licked and stroked my bare flesh as it appeared.

BLAIR-NTS-00

She kissed my nipples, nuzzled my balls, and ran her tongue up and down my throbbing dick. I had to wonder if I might shoot off before I could attack those two luscious, naked young bodies!

As soon as the girls had stripped me naked, Sandy spoke up and said something that made my dick throb. "I want to fuck him first," she giggled. Quickly, I lay on my back on the floor, my dick pointing straight up at the ceiling. Julie nodded her approval and knelt over my face with her sweet pussy only a few inches from my face. Sandy straddled my hips and let my dick slide very slowly into her tight pussy until my balls rested against her soft, hot ass.

The girls sat facing each other. While I gobbled Julie's juicy pussy, Sandy bounced rapidly up and down on my throbbing dick. While I licked and sucked and fucked, my hand reached out to caress bare ass, hard nipples, and soft, round hips. I was drowning in a sea of pussy, loving every second. I ached to fill Sandy's tight pussy with my hot load, but I fought to hold back. I wanted to make the hottest night of my life last forever.

Both girls had three or four orgasms before they suddenly climbed off my body. They lay down beside me with Sandy on her back and Julie on top of her. They kissed like long-time lovers, and I was confused until Julie stopped kissing Sandy long enough to tell me

to fuck them both at the same time. I knelt behind a pair of the most beautiful asses I have ever seen and shoved my dick into Julie's pink pussy. I gave it a few deep thrusts, and then I jerked it out and pushed it into Sandy's slippery pussy. In and out, Sandy and then Julie, Julie and then Sandy. The room smelled of hot sex, and the sounds of lust filled the air.

While I pumped my hard dick in and out of those two slick, young pussies, my hands roamed and caressed asses, tits, and hot, naked thighs. I wanted to spend my life fucking those two horny 18-year-old girls.

I lasted much longer than I would have dreamed before I bellowed and delivered my load of hot cream deep inside a moaning Julie. The walls of Julie's pussy contracted with each bullet of hot cum, and she came so hard she carried Sandy over the edge for a three-way come that left us gasping for breath in a pile of sweaty bodies.

A hot couple gets nasty in front of a webcam for a stranger

"Tell us what you want to see and we'll do it for you," Shelly said, speaking into our webcam microphone. We

were connected to a guy in California, who had his dick out of his pants, letting Shelly watch him stroke it.

"Let him suck your tits," Mr. C. said. "I want to watch him make your nipples hard."

Shelly looked at me for an "okay" nod. Then she crossed her arms and pulled her T-shirt over her head, exposing her big, beautiful tits to me and to our web buddy, Mr. C. I could see Mr. C. rubbing his hard-on, and I could also see the image of Shelly's perky little tits as I stuck out my tongue and flicked one of her sensitive nipples. It popped up, and Mr. C. stopped jerking off long enough to give her applause.

My own dick was as hard as the one Mr. C. had in his hand, but it was still in my pants. I sucked and licked both nipples until both of them were sticking out like little pink pencil erasers.

"Now let me see your ass, Shelly," Mr. C. said, his voice husky with lust.

Shelly giggled nervously and turned so that her magnificent ass was pointed at the camera. She opened the snap and the zipper on the side of her shorts, then grinned at me and told me to do the honors. My hands trembled as I slowly pulled the shorts to her knees. She had on black thong panties, the flimsy material wedged into the crack of her ass. I nuzzled and kissed the cheeks of Shelly's bare

ass while Mr. C. shouted encouragement.

"This is making me really hot," Shelly whispered.

"Me, too," I confessed as I pulled the panties down and helped her step out of them.

"Bend over and touch your toes for me, please," Mr. C. grunted, sounding like he might shoot off all over his keyboard at any second. I had the same problem. My dick was throbbing against the crotch of my pants, and there was a big wet spot in my shorts.

Shelly did as he asked, opening her legs wide enough to let us see the bald mound between them. She wiggled her ass for a few seconds, then put a hand between her legs and let a finger slide into her slippery pussy.

The smell of sex filled the air. My dick was ready to rip a hole in my pants. I rubbed the big bulge in my lap while Shelly looked back at what I was doing and licked her lips. She didn't have to say a word. Her eyes said it all. I knew what she wanted, so I unzipped my pants and let my hard dick pop out of my open fly. She nodded her approval and licked her lips while she pushed two fingers deep into her hot pussy.

"Let him lick your fingers. I want to see him taste your pussy." Mr. C.

requested. His eyes were wide, his cheeks were flushed, and he was pumping his dick much faster.

Shelly pulled two wet fingers out of her pussy, then turned and painted my bottom lip with her sweet juice. My tongue quickly flicked out to get more flavor. She let me lick her fingers clean before she used the same two fingers to spread the lips of her pussy for the camera. The sight of her slick pink lips and swollen clit told me what to do next.

I needed no coaching from Mr. C. I knelt in front of Shelly, cupped the cheeks of her soft, hot ass, and covered her juicy pussy with my open mouth. She ran her fingers through my hair and moaned with pleasure each time my tongue probed her pulsating pussy. Shelly was on fire.

"Fuck me with that beautiful tongue. Harder, faster, deeper," she squealed. Her pussy was hot, wet, and ready. Within a few seconds, she arched her back, and I pressed my mouth as tightly as possible against her melting pussy. She came so hard the room shook. It was like she couldn't stop coming. I licked, I sucked, and I probed her quivering crack until I wondered if I might suffocate before she finished the sweetest orgasm I have ever tasted.

As soon as the orgasm ended,

Shelly pushed me onto my back on the floor. She was as hot and horny as I had ever seen her. Her dark eyes were shooting sparks. While I fought to catch my breath, I licked the sweet pussy-flavor from my lips. Shelly knelt between my legs and eagerly sucked my stiff dick.

We were out of camera range, but that didn't matter. Mr. C. was forgotten. We were ready for a hot, hard, sweaty fuck. Shelly bobbed her head up and down on my stiff dick until my whole body was shaking. Before I could blast off in her hot mouth, she slithered up my body and mashed her wet pussy against the length of my hard dick.

Our lips met in a crushing kiss, and our flavors mingled on my tongue. Finally, I cupped the cheeks of her ass and shifted her squirming body just enough to let my dick glide into her wet pussy. The walls of her tight pussy contracted on my thrusting dick, and she had two rapid-fire orgasms before I drove my dick so deep into her pussy that I lifted her off the floor while jets of cream spattered her quivering walls.

By the time we floated back to earth, Mr. C. was gone. Guess we'll never know if he shot off too. My bet is yes.
